¹ The Decision directed the parties to submit an order consistent with the Decision. (Decision at 32.) As of the filing of this Notice of Appeal, the parties are engaged in constructive dialogue regarding a proposed order and received an extension of their time to submit such an order. (ECF Nos. 43, 45.) Accordingly, this appeal is taken from the Decision now, out of an abundance of caution. To the extent this Notice of Appeal has been filed before the entry of the order or judgment being appealed, it should be treated as filed “on the date of and after the entry” of the order or judgment. *See* Fed. R. Bankr. P. 8002(a)(2).
